FIRE & EMBER SAFE VENT®

VULCAN VENT

WARRANTY 30 YEAR WARRANTY

WARRANTY
Certificate

New Cal Metals, Inc. hereby warrants the Vulcan Vent Products against failure for a total period of 30 years, beginning on the date of installation. The coverage rate shall be prorated as follows: The first 10 years at 100% of the coverage listed, beginning the 11th year the coverage rate drops to 50%. At this point the customer is responsible for 50% of the original purchase price for replacement parts. The coverage drops at a rate of 2.5% per year until at the end of the 30th year the coverage rate is at 0% and the customer is responsible for 100% of the replacement parts. To cover this warranty, New Cal Metals, Inc. will provide replacement parts for any defective part (not including normal ware and fading), by means acceptable to and determined by New Cal Metals, Inc. This warranty does not cover damage of any kind caused by or resulting from fire, lightning, hailstorm, earthquake, windstorm if wind gusts exceed the design load of the vents, or other Acts of God, harmful chemicals, misuse, abuse, or any other cause beyond the control of New Cal Metals, Inc. The warranty will become null and void in the event the vent has been improperly cut, or if the structure has not been maintained adequately in support of vent. This warranty is expressly limited to replacement parts of any defective vent ONLY, provided the vent has been properly cared for. The warranty is limited to replacement parts ONLY and does not in any way extend to any liability for any damage to the interior of the covered structure or any of its contents or personal property or surrounding components. This warranty covers product replacement, (relating to defective parts,) only and there is no other warranty, expressed or implied. This warranty is good to the original owner only, and must be accompanied by a dated receipt. Caution should be used during painting to mask the face (not the frame) of the vents to avoid clogging the mesh portion of the vent.
